REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT
(37 C.F.R. § 1.322 and §1.323)

Sir,

Transmitted herewith is a Certificate of Correction for U. S. Patent No. 6,781,685 which issued August 24, 2004.

Upon reviewing the patent, errors were noted which are U.S.P.T.O. printing errors as well as clerical errors which are the Applicant's mistake. These errors are noted on the enclosed Form PTO/SB/44.

The United States Patent and Trademark Office printing error is present in claim 6 wherein the term "stream of photons" should be removed therefrom. The term was replaced by the term "photocurrent" in an amendment dated 3/30/04 by the Applicant and entered by the United States Patent and Trademark Office 4/5/04.

Regarding the Applicant's mistake, the term "microwave" has been replaced by the term "microscale" in order to correct a clerical translation error from the German priority document to the English version throughout the specification. Also, the term "photon stream" in column 4, line 22 should have been replaced by the term "photocurrent" and is another clerical translation error.

Request for Certificate of Correction of Patent for PTO Mistake
(37 CFR 1.322(a))

PTO/SB/44 Form

Check #15534 in the amount of \$100.00 for Certificate of Correction
set forth in 37 C.F.R. §1.20(a)

OCT 08 2004

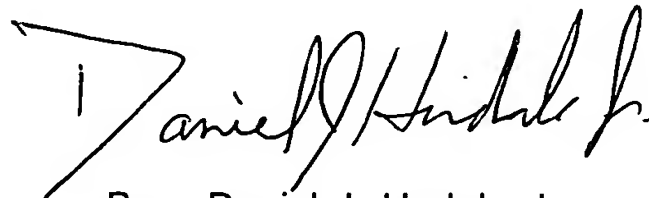

As Applicant's mistakes are of a clerical, typographical, or minor character, which occurred in good faith, Applicant respectfully requests issuance of the Certificate of Correction. The Applicant's correction does not involve such changes in the patent as would constitute new matter or would require reexamination. Applicant requests that the Certificate of Correction have the same effect in operation of law on the trial of action for causes thereafter arising as if the same had originally issued in such corrected form.

Due to the nature of the errors noted on the PTO/SB/44 Form, it is believed to be in order for the Patent and Trademark Office to approve the enclosed Certificate of Correction, two copies of which are enclosed herewith, and to place such a Certificate of Correction in the file, so that such will appear on any printed copies of the patent which are ordered in the future.

Attached hereto is a check for \$100.00 for payment of the Certificate of Correction fee which is set forth in 37 C.F.R. §1.20(a).

Respectfully submitted,

HUDAK, SHUNK & FARINE CO. LPA
